"I moved into Southlawn in August of 2007. I love it here! I feel safe and know that if there is a problem it will be dealt with promptly. The park is well maintained and the management is on site. There isn't another park in Cumberland County that I would recommend or live in."

"The park is pretty and quiet. Management and neighbors are friendly helpful and considerate. It is pet, kids and grandparent friendly. Convenient location provides easy access to shopping, schools and churches."
