

WE'RE HERE EVERY DAY TO WELCOME YOU HOME.

Naples Estates is currently being reimagined as the area's premier home community for active adults. With a beautiful new ballroom and activity center under development, we are sure to be the talk of the town.

Our new Resort Style Clubhouse pictured above, will feature a grand ballroom with concert staging, a dance floor and catering kitchen to host your large events. Tony Orlando himself will help us christen our ballroom with a concert in 2019 for Naples Estates residents.

The clubhouse will also feature room for arts and crafts, ceramics and stained glass classes complete with a kiln. A Billiard room with four championship size tables, separate card room

and well-equipped fitness center will be available for you to stay fit and build new friendships.

Our proposed activity center will be just as exciting as the ballroom with a new resort-style pool and therapy spa, adjoining party pavilion, bandstand and dance floor. A mini-golf course and shuffleboard courts will be next door ensuring you always have something fun to enjoy.

Here at Naples Estates, we are creating a lifestyle you can enjoy so you can always feel like you have it all! It's why we say we're here every day to welcome you home.
