

YOUR BOUTIQUE RETIREMENT COMMUNITY

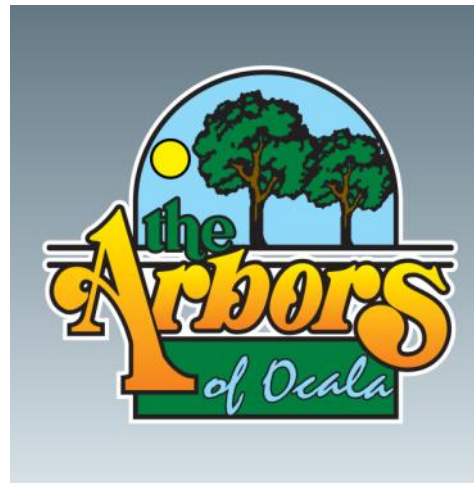

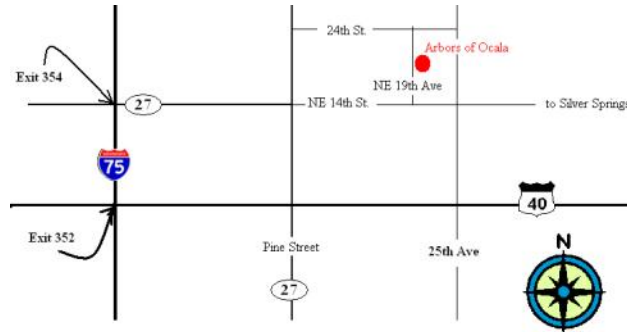

The Arbors of Ocala is your retirement community. We are a close knit park where everyone knows one another and is ready with a friendly wave. We have many Activities down at the Clubhouse which are a great way to meet friends and socialize.

Family owned and operated for 16 years, two generations are currently working to make The Arbors of Ocala your home.

Stop on by and ask for Heathyr or Colin, who live on site, and will be happy to show you Ocala's best kept secret.

WELCOME HOME

THE ARBORS OF OCALA IS A FRIENDLY RETIREMENT COMMUNITY NESTLED IN THE NORTH EAST SIDE OF OCALA. AT 65 LOTS, WE ARE JUST BIG ENOUGH TO PROVIDE A WARM COMMUNITY FEELING WHERE PEOPLE KNOW THEIR NEIGHBORS AND ARE ALWAYS READY WITH A FRIENDLY SMILE AND WAVE. WITH 3 PREMIUM SITES READY TO FILL, OR A FEW WELL MAINTAINED PRE-LOVED HOMES FOR SALE, YOU CAN MOVE IN AND JOIN OUR COMMUNITY NOW.

Activities

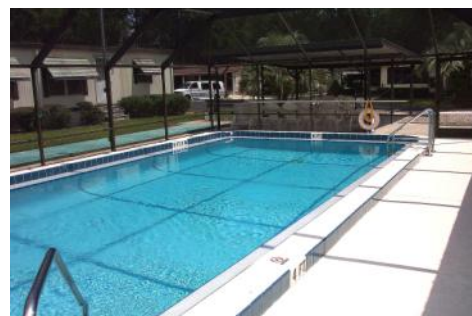

A gorgeous clubhouse is waiting for you to stop by. The ladies have a weekly craft gather where they work on projects and help each other out. We have a small resident only Bingo game, and we have a pool table that is great for passing the time while chatting with friends. A library and computer room let you access the internet and spend some quiet time reading.

With pot lucks, Parties, and monthly coffee and doughnuts gatherings, the clubhouse is filled with the sounds and smells of good food and friends.

Community

An inviting screened in swimming pool is a great place to gather during the warm summer afternoons. Our private streets are 1/3 of a mile long, perfect for joining the other residents in an afternoon power walk.

Stop on by and see Heathyr or Colin Lamb, On-site managers and second generation owner operators, and let them show you around the perfect community for you.
