King's Way MHP, Rocky Mount NC 27803

Great community, established in 1991 and going strong today with long term residents. We have spaces to accommodate single and doublewide homes. Large grassy open area behind office is used every year for vacation bible school programs. A local ministry also maintains an onsite meeting home for kids and adult bible study programs.

We generally have 2 and 3 bedroom homes available for rent or for sale. Or if you have your own home and wish to move into the park, we have 3 Month Free Rent promotion to help with your moving expenses.

Call us today for more details. Our onsite staff, Jerry & Sandra Breedlove, will be able to answer any questions you may have.

We look forward to speaking with you soon.
