Mobile Home Community**

The Country Squire is a charming mobile home community in that it provides a peaceful, rustic atmosphere to escape the hectic pace of daily life. This relaxing, natural atmosphere is only minutes from Downtown/Evansdale Campus, the Medical Center Robert C. Byrd Health Sciences Center, shopping malls and recreational activities.

Family recreational activities abound in the village and in nearby areas. The 170 acres of woods and meadowlands allow for memorable days camping, picnicking, and hiking. The sports enthusiast will love the two tennis courts as well as the surfaced basketball court. We also have a playground for the younger members of the family.
