

CITY VIEW

Lewiston, PA

Join City View manufactured home community by UMH Properties, Inc., in Lewistown, PA and enjoy the perfect combination of style and function in a peaceful country setting close to local attractions. Our brand new manufactured homes feature spacious 3-bedroom and 2-bathroom layouts with open concept floor plans. Each home provides its residents with wood floors, spa-like master bathrooms, and eat-in kitchens, with optional kitchen islands. Step outside of your new home and find a community full of amenities, like 24-hour maintenance, a bus shelter, and on-site management. Our homes are turnkey ready and pet friendly, making your moving process hassle free. We would love to show you around our City View community. Speak with our on-site staff today!

UMH Properties, Inc. has a program called "United Neighbors. The program encourages local neighborhood businesses to work together to better the community by using business to business referral. By participating in the "United Neighbors" program, City View will advertise your business to our residents each month in our community newsletter.

Step outside of your home and take advantage of our community amenities including:

-  24 Hour Maintenance Services
-  Garbage Removal Included
-  On-Site Management
