

WHISPRING PINES

Somerset, PA

If you're looking for manufactured homes in an ideal location, we invite you to see what our Whispering Pines development has to offer. Exclusively open to those 55 and older, the sense of community, belonging, and excitement here trumps all other developments in the Somerset area. We offer 24-hour mainnace and on-site management to our residents. Snow removal in the winter and year round grass cutting services included in your monthly rent. Our pet-friendly community is perfect for those who enjoy country living but want the convenience of residing near a city.

UMH Properties, Inc. has a program called "United Neighbors. The program encourages local neighborhood businesses to work together to better the community by using business to business referral. By participating in the "United Neighbors" program, Whispering Pines will advertise your business to our residents each month in our community newsletter.

Step outside of your home and take advantage of our community amenities including:

-  24 Hour Maintenance Services
-  Garbage Removal Included
-  On-Site Management
-  Self-Storage Units
-  Community Center
-  Lawn Care
-  Snow Removal
