

Summit Village

Marion, IN

Enjoy living in your dream home in the close-knit community of Summit Village. Our manufactured homes are fully customizable, with spacious 2-3 bedroom models to choose from. Our homes' core features include wood kitchen cabinets, full kitchen appliance packages, and spa-like master baths. Outside the privacy of your home, Summit Village is a caring and engaged community filled with yearly events for residents, as well as a playground and bus shelter. Our Summit Village Community is located just outside Marion, Indiana, nestled in a country setting near Gas City, and larger cities like Fort Wayne, Indiana. Marion itself is a thriving city, with tons of local attractions and several fun outdoor parks and pools to enjoy. If you're looking for an easy day trip, Indianapolis is less than ninety minutes away. Stop on by and explore our available homes, we're excited to help you find the home of your dreams at a price you'll love.

UMH Properties, Inc. has a program called "United Neighbors. The program encourages local neighborhood businesses to work together to better the community by using business to business referral. By participating in the "United Neighbors" program, Summit Village will advertise your business to our residents each month in our community newsletter.

Step outside of your home and take advantage of our community amenities including:

-  24 Hour Maintenance Services
-  On-Site Management
