

# SOMERSET ESTATES

## Somerset, PA

Somerset Estates, a manufactured home community in Somerset, PA, is situated in a rural setting that's still close to cities, activities, shopping and transportation options, including the Pennsylvania Turnpike. Enjoy the Area's Beauty. Somerset Estates is close to many outdoor attractions and recreation areas, including skiing at Seven Springs and Hidden Valley, as well as the Laurel Mountains and Ohiopyle. Residents enjoy living at Somerset Estates not only for the beautiful surroundings, but also because of the many on-property activities. During the holidays, we host Easter egg hunts, hold a summer picnic, and invite everyone to our winter open house at the on-site community center. A Variety of Housing Options. We offer new construction and existing homes, many with master bedrooms and bathrooms. All homes include large, open floor plans, with plenty of room for storage. The kitchens have room for islands, plenty of countertop space for appliances and food prep, and additional cabinet space.

UMH Properties, Inc. has a program called "United Neighbors. The program encourages local neighborhood businesses to work together to better the community by using business to business referral. By participating in the "United Neighbors" program, Somerset Estates will advertise your business to our residents each month in our community newsletter.

Step outside of your home and take advantage of our community amenities including:

-  24 Hour Maintenance Services
-  On-Site Management
-  Self-Storage Units
-  Garbage Removal Included
