## **Welcome HOME to Sunny Arizona**

Good Life RV Resort is a great community  
with a small town feel.

Our resort is located in the Valley of the Sun in Mesa, Arizona; often considered one of the few places where you can enjoy stunning sunsets and warm temperatures all year round. Here at Good Life we have something for everyone. You can be as busy as you want or spend your time just enjoying life at your own pace.

Good Life comes alive each morning with many of our guests getting together on the patio to enjoy the warm sunshine. Like you, our residents come from all over the United States and Canada.

Lots of the fun at Good Life happens in the Courtyard with Music on the Patio as the highlight of many late afternoons. From mid October to December 31st there are live bands Monday through Friday. Once January 1st arrives, live music is added on Saturday as well! The full service Cactus Grill opens during season serving food and your favorite beverages.

Please take a few minutes to view the information our Resort Home Specialist, Kathie Jewett, has prepared for you. She will show you the great opportunities available for you to become homeowners at Good Life. You can also check out our web site at [www.goodliferesorthomes.com](http://www.goodliferesorthomes.com) where you will find a full list of our Resort Homes for Sale, Amenities, and Activities Newsletters.

Thank you for considering Good Life RV Resort. We are sure you will find our staff and homeowners are the friendliest & most welcoming people around.

We hope to see you soon!

Kathie Jewett, Resort Sales Specialist  
And the entire Good Life Team
